

City of Sugar City, Idaho

RESOLUTION 2007-2

Authorizing Resolution

"A Resolution to Submit an Application for an Idaho Rural Community Block Grant to Assist in the Construction of an Infrastructure Project."

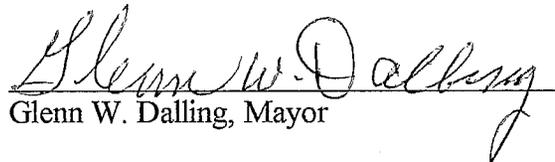

WHEREAS, the Council of the City of Sugar City desires to construct publicly owned infrastructure including, but not limited to, the installation of waste water collection, water, roads, and power backbone to serve the Sugar City Business Park site; and

WHEREAS, the Council of the City of Sugar City desires to submit an Idaho Rural Community Block Grant application to the Idaho Department of Commerce and Labor for a Public Facility Grant to assist in the construction of the said infrastructure;

NOW, THEREFORE, IT IS HEREBY RESOLVED THAT:

The City Council of the City of Sugar City hereby authorizes the submission of the Idaho Rural Community Block Grant application to the Idaho Department of Commerce and Labor for funds to assist in the construction of infrastructure for said project. The Council also authorizes Mayor Glenn W. Dalling, to sign and execute the application and any associated documents.

UNANIMOUSLY ADOPTED AND APPROVED BY THE SUGAR CITY COUNCIL AND MAYOR THIS 24TH DAY OF MAY, 2007.

Glenn W. Dalling, Mayor

ATTEST:

Sharon L. Bell, City Clerk

SUGAR CITY COUNCIL MEETING

24 MAY 2007

POTENTIAL GRANT FOR THE WEST ENTRY AREA (ELEVATOR)

A. Intent to Apply Form for Transportation Enhancement Project Funding

- 1. This form is due into the state officials prior to 29 June 2007.
- 2. It must be sent in if we want to submit a final grant application, due in January, 2008.
- 3. It is a two page form which I can put together if you authorize me to, no cost to the City to that point.
- 4. It should be noted that the local match in funds for approved projects is now 7.34 %.
(just under 30,000 on a \$400,000 project)

B. Estimated up Front Cost to the City to Submit a Final Grant Application
 (would need to be paid without knowing if project would be approved)

- 1. Projected costs for an Engineering Design to go in with the application

\$9,000.....\$12,000

- 2. Projected costs for an Artistic Design to go in with application. This will need to be very precise and is the key element to get such a project approved

\$5,000.....\$10,000

- 3. We will need an official go ahead from the City Council at least by August 1st to move ahead with these two designs which means we would then be moving ahead with a Final Application on this project.
