

MINUTES OF SPECIAL MEETING
SUGAR CITY COUNCIL
THURSDAY, NOVEMBER 2, 2019

Presiding: Mayor David D. Ogden

Meeting Convened at 10:00 a.m.

Prayer:

Pledge of Allegiance

Present: Mayor David D. Ogden; Clerk-Treasurer Wendy McLaughlin; Councilors Brent Barrus, Sid Purser, Connie Fogle, and Steve Davis; City Public Works Director Arlynn Jacobson; Chairman Dave Thompson of the Planning and Zoning Commission; Design Review Chairman Paul Jeppson; Citizens Joy Ball, Lawrence and Catherine Nielsen.

BACKUP GENERATOR AWARD: The council discussed the backup generator for the new water well and decided to get three quotes on a new Cummins generator and startup costs for next spring before going forward with an award.

Public Works Director Arlynn Jacobson received an estimate from Rod's Diesel, a reliable, local business who services the city's other generators, listing two used generators and one new. All estimates were quotes on Cummins brand generators which Rod's Diesel recommends. The used generators were not significantly less in cost, would come from New York and Texas (high humidity and flooding areas), and would take 2-3 weeks to install. The new generator would take at least 9 weeks to order and install putting the project on hold until next spring.

Meeting adjourned at 10:40 a.m.
