

Proposed \$0.13 Sewer User Fee Rate Increase

City of Rexburg will increase their fees to Sugar City \$0.13 starting October 1, 2020. It is proposed that Sugar City will increase their user fee rate from \$3.30 to \$3.43/thousand gallons of usage each month. The base fee of \$17.97 will remain the same.

The increase is a pass along fee and is less than 5% which does not need to go to public hearing. However, the city wants to make the citizens aware of its intentions. The last increase to the city from Rexburg was in 2018.
